

2. Mr. Sourwine, as Counsel of the Senate Internal Security Subcommittee, called me to ask if we could make information available regarding the backgrounds of 11 Iron Curtain country clergymen who are shortly to arrive in the United States to attend a world conference of clergy. I am checking this matter through with Staff C, but the entire situation is extremely delicate because of the difference of opinion as to whether or not these clergymen should be admitted for the conference. 12 Aug '54
